

GLADYS POOLE

Dear David,
You have so many nice men working for you, and I want to let you know how pleased I was with David Woodcock who came last Friday (July 17). The leak I had was not an air conditioning problem but a plumbing one. He left no stone unturned in looking for the source and explaining the problem to me. And he would take no money for the call. I am very glad you sent him, and I think you are special too! Thank you again for sending him, David -
Sincerely,
Gladys Poole
